**All items are manufactured in high quality stainless steel for catering use.**

**The above is only a small example of just some of the trolleys and other products we manufacture in stainless steel for commercial use.**

**For example, as well as the items shown above, we also manufacture stainless steel sinks, racks, service carts, worktable, worktops, shelves, cabinets, etc for kitchens and bathrooms etc.**

**We are happy to quote you for any needs you might have for any other high quality stainless products.**

**All our items are manufactured especially to order for you and delivered directly from our factory to you.**
